

Spring Creek Volunteer Fire Department, Inc.

Equipment Use Policy

All equipment belonging to Spring Creek Volunteer Fire Department, Inc. may not be used for private purposes in accordance with the CONFLICT OF INTEREST POLICY. Radios that are owned by the Department should not be used in connection with any other agency. If working for another agency, you are required to use your own radio or one supplied by that agency for that purpose. All department issued equipment will be returned to the department upon resignation as a firefighter or any other officer. I agree that I have read and understand this policy.
